

For Immediate Release

HKSH Healthcare Family Medicine Centre (Taikoo) Opens Today Providing One-Stop Comprehensive Primary Care to Eastern Hong Kong

(6 September 2011, Hong Kong) — HKSH Healthcare Family Medicine Centre (Taikoo) is pleased to launch its service to the public today. Managed by the Hong Kong Sanatorium & Hospital, HKSH Healthcare Family Medicine Centre (Taikoo) aims to provide a comprehensive, one-stop quality family medicine service to the Hong Kong public for extending the primary healthcare service and to raise the standard of family medicine for the benefit of many in Hong Kong.

HKSH Healthcare Family Medicine Centre (Taikoo) is located at the residential and commercial hub of Eastern Hong Kong, making quality family medicine service highly accessible to half of the population of the Hong Kong Island. According to the government figures, Eastern Hong Kong is the third most populated district in Hong Kong. By 2018, Eastern Hong Kong is projected to have the highest ratio of elderly people (20.6%) in Hong Kong, with a majority of patients with chronic diseases. The strengthening of primary healthcare service in the district is one of the ways to meet the public needs and alleviate the burden on the public healthcare system.
