Husband accompanying wife inside the Operating Theatre:

HK\$600

**Remarks:**

- Mothers scheduled for elective Caesarean Section should be admitted four hours before operation. It allows sufficient time for preoperative care to the expectant mother and helps relieve her stress prior to the operation. Admission less than four hours is considered as emergency Caesarean Section.
- Price is subject to change without prior notice.
- Once a package is opted, withdrawal from the package is not allowed.
- or enquiry, please call 39663270 Department of Obstetrics.
- In case of dispute, the Chinese version shall prevail.

As we are arranging extra medical personnel to fulfil special requests such as specified time of delivery by caesarean section, the charges of such arrangements would be adjusted accordingly.

For details, please contact the Department of Obstetrics at 3966 3270.
