專業化妝服務

愛美是人的天性。不論男女，任何能令外表更加容光煥發的方法，他們都會趨之若鶩。有見及此，養和醫院整形外科中心特意為病人提供專業化妝服務，滿足不同的需要。

專業美容技術不單可改善個人容貌，更能增強自信。整形外科手術及激光治療能夠改善因火災、車禍等事故造成的疤痕或變形、先天缺陷(如兔唇)、血痣、太田痣、白斑等面部問題。本中心的專業化妝師會於手術或治療前後評估病人皮膚的狀況，教導病人以專業、精巧的化妝技術，改善疤痕或皮膚缺陷，令儀容依舊明艷照人。

對於臉部輪廓出現不均稱的情況，如天生唇部不對稱、輕微大細眼、大細臉等，專業化妝師會利用眼線技巧及輪廓修飾法(如光影、陰影、胭脂位置等)，悉心塑造五官自然勻稱的效果，確保病人稱心滿意。

本中心深明每一個病人都想時刻以最佳容貌示人。現在，本院的住院及門診病人同樣可以享用專業化妝服務。

我們的服務範圍包括：

- 為病人化妝，如眼眉、眼袋、鼻形、嘴唇、面形及胸部等位置
- 教授化妝技巧，配合出席不同社交場合的需要
- 減淡手術或治療後出現的色斑及紅腫，包括分娩後出現的妊娠紋

本院專業化妝師的服務時間為逢星期二及星期五，上午十時至下午五時（公眾假期除外）。

專科診症，歡迎致電本中心預約

Make-up Artist Service at the Plastic & Reconstructive Surgery Centre

Everybody wants to look good. We are all enthusiastic in exploring various cosmetic make-up techniques, striving to look as attractive as possible. To meet the cosmetic needs of our patients, the Plastic & Reconstructive Surgery Centre of the Hong Kong Sanatorium & Hospital is now offering a comprehensive make-up artist service.

Aesthetic procedures can improve not just one's appearance but also one's self-esteem. Plastic surgeries and laser treatments can help patients bothered by scars or disfigurements resulting from accidents (e.g. fire or road accidents), congenital abnormalities (e.g. cleft lip), vascular lesions, nevus of Ota, vitiligo, etc. Our make-up artist then advises patients before and after plastic surgery or laser treatment by evaluating skin conditions and helps them improve or normalize the scars or skin imperfections with expert and sophisticated make-up techniques. Sometimes, all the patients need is a good make-up.

For clients with asymmetrical facial features, such as lips, eyes or face, our make-up artist restores their facial harmony by working on the eye lines and the face line (e.g. using light, shadow and brush).

The Centre is aware of the needs of patients to look pleasant at all times. Therefore, the make-up artist service is provided to inpatients as well as outpatients of the Hospital.

Our services include:

- Provision of make-up service to patients, e.g. eyebrows, eye bags, nasal shape, lip shape, face shape and cleavage prominence;
- Advice and teaching of make-up techniques for various social functions; and
- Smoothing out discolorations, redness and swelling after surgical/medical treatments including stretch marks after delivery

Our make-up artist is at your service from 10:00 am to 5:00 pm every Tuesday and Friday (except Public Holidays).

For appointment, please contact us at:
